Report Population and Business Rules

The Homeless Extract reports students who have a Homeless record whose Start Date is on or before the Effective Date entered on the extract editor and the End Date is blank or within the selected calendar's start and end dates.

- When the Homeless record has Primary Nighttime Residence of N: Not applicable, the student reports only when the Unaccompanied Youth of No or is blank or when the Homeless Served field is not marked.

The extract includes only homeless students in the district generating the report. When a student has multiple records of homelessness, the record is only reported from the district generating the report.

Generate the Report

1. Enter the **Effective Date**. Only Homeless records active on or before this date are included in the report.
2. Select the **Extract Format**.
3. Select which calendar(s) will report data.
4. Click **Generate Extract** to generate the report immediately or click **Submit to Batch** to schedule when the system will generate the report.
