The New York Smart Programs tool captures data for those students participating in a Smart program. This tool is used for reporting purposes.

The screenshot shows the 'SmartProgram' editor interface. At the top, there's a header with a user profile icon, the name 'SmartProgram', and a star icon. To the right, there's a breadcrumb trail: 'Student Information > State Programs > SmartProgram'. Below the header, there's a section for student information: 'Eshan', 'Grade: 11', 'DOB:', 'Counselor: Ava Sima', and a 'Medical Condition(s)' field. There are also 'New', 'Save', 'Delete', and 'Documents' buttons. The main area is divided into two sections: 'Smart Programs Summary' and 'Smart Programs Detail'. The 'Smart Programs Summary' section has a table with columns 'Program', 'Start Date', and 'End Date'. The 'Smart Programs Detail' section has fields for '*Program' (a dropdown), '*Project ID', '*Program Selection Criteria' (a dropdown with 'Select Values'), '*Start Date', 'End Date', and 'Career Pathway Code' (a dropdown). At the bottom, there's a 'District Defined Elements' section. The entire interface is labeled 'Smart Programs Editor' at the bottom.
