Graduation (Pennsylvania)

Last Modified on 06/26/2026 9:26 am CDT

Tool Search: Graduation

The Graduation tool provides districts with the ability to track graduation information used in state reporting, AYP (Average Yearly Progress) determinations and NCLB (No Child Left Behind) report cards. Districts can track when a student first entered ninth grade and calculate their expected graduation date.

The fields listed below are the specific to Pennsylvania. See the Graduation article for information on creating or deleting a Graduation record, Tool Rights information, and graduation scenario examples.

Graduation Awards Information

Graduation Awards Information

Field	Description	Additional Information
Date Earned *Required*	The date the student earned the award.	**Database Location**: GraduationSeal.earnedDate **Ad hoc Inquiries**: Student > Learner > GraduationElements > Graduation Seal > graduationSeal.earnedDate
Award *Required*	Identifies the type of award earned upon graduation to be placed on a student's transcript. • CTE: CTE Industry Credential • NCTE: Non-CTE Credential Award • SEAL: Seal of Biliteracy	**Database Location**: GraduationSeal.stateSeal **Ad hoc Inquiries**: Student > Learner > GraduationElements > Graduation Seal > graduationSeal.stateSeal

Field	Description	Additional Information
Provider	The provider of the award or credential. This is an open attribute dictionary list. When the Provider field is null for CTE and NCTE records, Graduation Award information does not print on the student's Transcript. See the Transcript article for additional information.	**Database Location**: GraduationSeal.provider **Ad hoc Inquiries**: Student > Learner > GraduationElements > Graduation Seal > graduationSeal.provider
Award Type: Industry Credential	The type of CTE award or credential. This field displays when the Award is marked as CTE.	**Database Location**: GraduationSeal.type **Ad hoc Inquiries**: Student > Learner > GraduationElements > Graduation Seal > graduationSeal.type
Award Type: Award Fact	The type of award credential. This field displays when the Award is marked as NCTE.	**Database Location**: GraduationSeal.certification **Ad hoc Inquiries**: Student > Learner > GraduationElements > Graduation Seal > graduationSeal.certification
Language	The language in which the student earned state recognition. The values available are populated from the Definition.iso639-2Language dictionary. This field displays when the Award is marked as Seal.	**Database Location**: GraduationSeal.language **Ad hoc Inquiries**: Student > Learner > GraduationElements > Graduation Seal > graduationSeal.language
