

On Track (Missouri)

Last Modified on 11/14/2024 10:26 am CST

[Program Information Fields](#) | [State Defined Elements Fields](#)

Tool Search: On Track

An Individual Career and Academic Plan (ICAP) is a multi-year plan used to guide students toward their personal career and post-secondary goals and prepare them for graduation. See the Missouri Department of Education [website](#) for additional guidance on creating an ICAP.

The ICAP/On Track tool tracks the student's progress toward graduation in relation to the student's ICAP. This tool is used to track data for state reporting purposes.

Users should only create one On Track record per student. Multiple records could cause reporting issues.

The screenshot displays the 'ICAP/On Track' tool interface. At the top, it shows the student's name 'Kristian N (K, Kris)', student number, grade '12', and counselor 'Ryan Jaime'. Below this, there is a 'School Year' dropdown menu. The main section shows 'Start Date: 10/31/2024', 'End Date: 10/31/2024', and 'Created By: Jefferson City School District 026006; 10/31/2024'. At the bottom, there are buttons for 'New', 'Documents', 'Print', and 'View'.

Click **View** or **New** to open the detail screen.
