

Arizona Ed-Fi Data v3.5 - Student Program Associations [.2227 - .2303]

Last Modified on 02/09/2023 9:20 am CST

You are viewing a previous version of this article. See [Arizona Ed-Fi Data v3.5 - Student Program Associations](#) for the most current information.

Classic View: System Administration > Ed-Fi

Search Terms: Ed-Fi

This educational entity represents the organization of subject matter and related learning experiences provided for the instruction of students on a regular or systematic basis.

Object Triggering Logic

This tables below describe the logic for triggering syncing of this object.

Flags

► [Click here to expand...](#)

Action	Trigger
Post	<p>Report a record based on the students enrollment record: Service Type = P.</p> <ul style="list-style-type: none"> • If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school and start date, report from the earliest created enrollment. • If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school with different start dates, report with the following logic: <ul style="list-style-type: none"> ◦ Report a record from the enrollment with the earliest start date and set the end date to one day prior to the start date of the next enrollment. ◦ Report a second record from the enrollment with the later start date and set the start date to the enrollment start date and the end date to the enrollment end date. If enrollment end date is blank, set end date to the calendar end date. • Only send a record for enrollments that have a Local Service Type other than 'P:Primary' if they are the only enrollment in a given timeframe. This means the enrollment does not overlap with any other enrollment from the same school or any other school. • Do not send a record for enrollments that have a Local Service Type OTHER than 'P:Primary' OR 'T:AOI' AND the enrollment Resident District does not match the following: <ul style="list-style-type: none"> ◦ District Information > State District Number ◦ If enrollment Resident District does not match the District Information > State District Number, loop through all of the credentials and compare to the District Number. • Do not send a record for an enrollment that is marked as State Exclude or No Show. • Do not send a record if enrollment is in a calendar marked as State Exclude. • Do not send a record if the enrollment Start Status = E: NON-SAIS DISTRICT USE ONLY!. • Do not send records if the Grade Level Exclude check box is checked in the grade level record tied to the calendar the student is enrolled in.
Post	<p>When a Flag is created and saved for a student that is mapped to a state program code.</p> <ul style="list-style-type: none"> • Flag start date must be on or after enrollment start date.
Post	<p>When a new enrollment is created for a student that has an active Flag mapped to a state program code.</p> <ul style="list-style-type: none"> • Enrollment start date must be after Flag start date. • Flag end date must be NULL or after enrollment start date. • If the enrollment overlaps an existing enrollment within the same school, follow the post requirements based on the student's enrollment record, otherwise post a new record.

Action	Trigger
Delete/Post	When a start or end date is entered or changed for an existing record.
Delete/Post	When an enrollment end date is entered for a student with a valid enrollment end status: W1-W13.
Delete	Delete the existing record if a Program is changed on an existing flag.
Delete	Flag is deleted for a student. <ul style="list-style-type: none"> If the student has two flags with the same Program Name and Start Date, do not delete this record unless all programs or needs associated with the record are deleted.
Delete	When a student's enrollment Start Status is changed from a valid code to E: NON-SAIS DISTRICT USE ONLY! and saved.
Delete	When an existing enrollment is marked as State Exclude or No Show.

Gifted

► [Click here to expand...](#)

Action	Trigger
Post	<p>Report a record based on a Gifted record being saved and overlapping the students enrollment record: Service Type = P</p> <ul style="list-style-type: none"> If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school and start date, report from the earliest created enrollment. If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school with different start dates, report with the following logic: <ul style="list-style-type: none"> Report a record from the enrollment with the earliest start date and set the end date to one day prior to the start date of the next enrollment. Report a second record from the enrollment with the later start date and set the start date to the enrollment start date and the end date to the enrollment end date. If enrollment end date is blank, set end date to the calendar end date. Only send a record for enrollments that have a Local Service Type other than 'P:Primary' if they are the only enrollment in a given timeframe. This means the enrollment does not overlap with any other enrollment from the same school or any other school. Do not send a record for enrollments that have a Local Service Type OTHER than 'P:Primary' OR 'T:AOI' AND the enrollment Resident District does not match the following: <ul style="list-style-type: none"> District Information > State District Number If enrollment Resident District does not match the District Information > State District Number, loop through all of the credentials and compare to the District Number. Do not send a record for an enrollment that is marked as State Exclude or No Show. Do not send a record if enrollment is in a calendar marked as State Exclude. Do not send a record if the enrollment Start Status = E: NON-SAIS DISTRICT USE ONLY!. Do not send records if the Grade Level Exclude check box is checked in the grade level record tied to the calendar the student is enrolled in. If a student has multiple overlapping gifted records, only report one program association with the following logic: <ul style="list-style-type: none"> Report the start date based on the record with the earliest start date. Report the end date based on the record with the latest end date. If one record has an end date and the second record does not, the null end date is considered the latest end date. Do not send a record if the 'No Gifted Program' checkbox is marked.
Post	<p>When a Gifted record is created and saved for a student.</p> <ul style="list-style-type: none"> Gifted start date must be on or after enrollment start date and the Gifted record end date is either null or after the enrollment start date.

Action	Trigger
Post	When a new enrollment is created for a student that has an active Gifted record: <ul style="list-style-type: none"> Enrollment start date must be after Gifted start date. Gifted end date must be NULL or after enrollment start date. If the enrollment overlaps an existing enrollment within the same school, follow the post requirements based on the student's enrollment record, otherwise post a new record.
Delete/Post	When a start or end date is entered or changed for an existing record.
Delete/Post	When an enrollment end date is entered for a student with a valid enrollment end status: W1-W13.
Delete/Post	When the enrollment tied to the Gifted record is deleted or made ineligible, and there is another eligible enrollment in the student's record (another overlapping one with perhaps a lower ranked Status value, non-excluded).
Delete	Gifted record is deleted for a student. <ul style="list-style-type: none"> If the student has two Gifted records with the same Start Date, do not delete this record unless all Gifted records associated with the record are deleted.
Delete	When a student's enrollment Start Status is changed from a valid code to E: NON-SAIS DISTRICT USE ONLY! and saved.
Delete	When an existing enrollment is marked as State Exclude or No Show.
Delete	Gifted record's start date or end date is changed, such that it no longer overlaps an eligible enrollment
Delete	When there is a delete/edit to the eligible enrollment reporting is based on, such that there are no longer any eligible enrollments.
Delete	When the 'No Gifted Program' checkbox is checked.

21CCLC

► [Click here to expand...](#)

Action	Trigger
Post	Report a record based on a 21st CCLC record being saved and overlapping the students enrollment record: Local Service Type = O: Program Only <ul style="list-style-type: none"> If a student has multiple enrollments with a Local Service Type of 'O: Program Only' in the same school and start date, report from the earliest created enrollment. If a student has multiple enrollments with a Local Service Type of 'O: Program Only' in the same school with different start dates that both overlap the 21st CCLC record, report from the enrollment with the oldest end date (a null end date is the oldest end date). Only report if the Resident District matches one of the following: <ul style="list-style-type: none"> District Info > State District Number If enrollment Resident District does not match the District Info > State District Number, loop through all of the credentials and compare to the District Number. Do not send a record if enrollment is in a calendar marked as State Exclude. Do not send records if the Grade Level Exclude check box is checked in the grade level record tied to the calendar the student is enrolled in.
Post	When a 21st CCLC record is created and saved for a student. <ul style="list-style-type: none"> 21st CCLC start date must be on or after enrollment start date and the 21st CCLC record end date is either null or after the enrollment start date.
Put	When a Program is changed on the 21st CCLC record for a student mapped to a program code. <ul style="list-style-type: none"> If the program code is changed from one mapped code to another, post the updated code.

Action	Trigger
Post	When a new enrollment is created for a student that has an active 21st CCLC record. <ul style="list-style-type: none"> Enrollment start date must be after 21st CCLC start date. 21st CCLC end date must be NULL or after enrollment start date. If the enrollment overlaps an existing enrollment within the same school, follow the post requirements based on the student's enrollment record, otherwise post a new record.
Delete/Post	When a start or end date is entered or changed for an existing record.
Delete/Post	When an enrollment end date is entered for a student with a valid enrollment end status: W1-W51.
Delete/Post	When the enrollment tied to the 21st CCLC record is deleted or made ineligible, and there is another eligible enrollment in the student's record (another overlapping one).
Delete	Delete the existing record if a Program is changed on an existing 21st CCLC record.
Delete	21st CCLC record is deleted for a student. <ul style="list-style-type: none"> If the student has two 21st CCLC records with the same Program Name and Start Date, do not delete this record unless all programs associated with the record are deleted.
Delete	21st CCLC record's start date or end date is changed, such that it no longer overlaps an eligible enrollment.
Delete	When there is a delete/edit to the eligible enrollment reporting is based on, such that there are no longer any eligible enrollments.

Title 1

► [Click here to expand...](#)

Action	Trigger
Post	When a Title 1 record is created and tied to a valid Enrollment record where the location of the Title 1 record equals the school on the enrollment. <ul style="list-style-type: none"> If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school and start date, report from the earliest created enrollment. If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school with different start dates, report with the following logic: <ul style="list-style-type: none"> Report a record from the enrollment with the earliest start date and set the end date to one day prior to the start date of the next enrollment. Report a second record from the enrollment with the later start date and set the start date to the enrollment start date and the end date to the enrollment end date. If enrollment end date is blank, set end date to the calendar end date. Only send a record for enrollments that have a Local Service Type other than 'P:Primary' if they are the only enrollment in a given timeframe. This means the enrollment does not overlap with any other enrollment from the same school or any other school. Do not send a record for enrollments that have a Local Service Type OTHER than 'P:Primary' OR 'T:AOI' AND the enrollment Resident District does not match the following: <ul style="list-style-type: none"> District Information > State District Number If enrollment Resident District does not match the District Information > State District Number, loop through all of the credentials and compare to the District Number. Do not send a record for an enrollment that is marked as State Exclude or No Show. Do not send a record if enrollment is in a calendar marked as State Exclude. Do not send a record if the enrollment Start Status = E: NON-SAIS DISTRICT USE ONLY! Do not send records if the Grade Level Exclude check box is checked in the grade level record tied to the calendar the student is enrolled in.

Action	Trigger
Post	When Title 1 record overlaps the student's Enrollment record for that school. <ul style="list-style-type: none"> Title 1 record start date is on or after enrollment start date. Title 1 record start date is before enrollment start date, and the Title 1 record end date is either null or after the enrollment start date.
Post	When a new enrollment for the same school indicated in a pre-existing Title 1 record is created for a student, which had not previously had an eligible enrollment record (either didn't have one in that school, didn't have one that overlapped, or didn't have one that wasn't excluded).
Delete/Post	When a start or end date is entered or changed on an existing Title 1 record.
Delete/Post	When an enrollment end date is entered for a student with a valid enrollment end status: W1-W13.
Delete/Post	When the Title 1 service is changed on an existing record.
Delete/Post	When the enrollment tied to the Title 1 record is deleted or made ineligible, and there is another eligible enrollment in the student's record (another overlapping one with perhaps a lower ranked Status value, non-excluded).
Delete	Title 1 record is deleted. <ul style="list-style-type: none"> If the student has two or more Title 1 records with the same Title 1 program value and Start Date, do not delete the record unless all programs or needs associated with the primary keys are deleted.
Delete	Title 1 record's start date or end date is changed, such that it no longer overlaps an eligible enrollment.
Delete	When there is a delete/edit to the eligible enrollment reporting is based on, such that there are no longer any eligible enrollments.

EL

► [Click here to expand...](#)

Action	Trigger
Post	Report a record based on the students enrollment record: Service Type = P. <ul style="list-style-type: none"> If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school and start date, report from the earliest created enrollment. If a student has multiple enrollments with a Local Service Type of 'P:Primary' in the same school with different start dates, report with the following logic: <ul style="list-style-type: none"> Report a record from the enrollment with the earliest start date and set the end date to one day prior to the start date of the next enrollment. Report a second record from the enrollment with the later start date and set the start date to the enrollment start date and the end date to the enrollment end date. If enrollment end date is blank, set end date to the calendar end date. Only send a record for enrollments that have a Local Service Type other than 'P:Primary' if they are the only enrollment in a given timeframe. This means the enrollment does not overlap with any other enrollment from the same school or any other school. Do not send a record for enrollments that have a Local Service Type OTHER than 'P:Primary' OR 'T:AOI' AND the enrollment Resident District does not match the following: <ul style="list-style-type: none"> District Information > State District Number If enrollment Resident District does not match the District Information > State District Number, loop through all of the credentials and compare to the District Number. Do not send a record for an enrollment that is marked as State Exclude or No Show. Do not send a record if enrollment is in a calendar marked as State Exclude. Do not send a record if the enrollment Start Status = E: NON-SAIS DISTRICT USE ONLY!.
Post	When a LEP Service is created and saved for a student that is mapped to a state program code.

Action	Trigger
Post	When a Service is changed on an existing Service for a student with a state program code.
Post	When a new enrollment is created for a student that has an active Service. <ul style="list-style-type: none"> Enrollment start date must be after Service start date. Service end date must be NULL or after enrollment start date. If the enrollment overlaps an existing enrollment within the same school, follow the post requirements based on the student's enrollment record, otherwise post a new record.
Put	When a start or end date is entered or changed for an existing record. <ul style="list-style-type: none"> When an enrollment end date is entered for a student with a valid enrollment end status: W1-W13. When an EL Service Type is updated.
Delete	Delete the existing Service if the Service is changed.
Delete	A Service is Deleted. <ul style="list-style-type: none"> If the student has two services with the same start date, do not delete this record unless all services with the same start date are deleted.
Delete	When a student's enrollment Start Status is changed from a valid code to E: NON-SAIS DISTRICT USE ONLY! and saved.
Delete	When an existing enrollment is marked as State Exclude or No Show.

School Exclude, Calendar Exclude, Resource Toggle and Resync Logic

This table describes the School Exclude, Calendar Exclude, Resource Toggle and Resync logic of this object.

Action	Trigger
None	If a resource is toggled to 'OFF' after data has sent, all sent data will remain in the ODS but no new data will send.
Resync	If a record is in the Ed-Fi Identity Mapping table and not in the ODS, it will be deleted from the Ed-Fi Identity Mapping table.
Resync	If a record is in the ODS and it does not have a matching record in Campus or the Ed-Fi Identity Mapping table, it will be deleted from the ODS.
Resync	If a mapping is changed in Resource Preferences, a resync will need to be done to reflect the changes.

Natural Key Changes, Cascading Updates, and Deletes Logic

This table describes the Natural Key Changes/Cascading Updates and Deletes logic of this object.

Action	Trigger
Post/Delete	Natural Key changes: <ul style="list-style-type: none"> If the Flag Start Date or Flag Name changes, all Student Program Associations will be deleted and then re-posted.
Delete	Cascading Deletes: N/A - No resources exist under this resource.

Scope Year Logic

This table describes scope year logic of this object.

Logic
The record will send to the scope year for the school year the program association record is associated with.
Data will only send for the years that have valid configuration.

Resource Preferences

This table describes the Resource Preferences of this object.

Data Element Label	Mapping Needed
Program Type Descriptors - Flags	Program State Program Code
Reason Exited Descriptors	Program Participation Exit Reason
	Lep Service Exit Reason
	Twenty First CCLC Exit Reason

Identity Mapping Object Key

This table describes the Identity Mapping Object Key of this object.

campusObjectType	Object Key Data Source
ProgramParticipation	participationID

Event Queue Detail

This table describes the Event Queue Detail of this object.

Campus Table	Ed-Fi Action	Fields
programs	Put	The primary table used for sending data for this resource.
programparticipation	Put	The primary table used for sending data for this resource.

Object Data Elements

Data Element Labels in bold are part of the Natural Key and are required data elements for Data to send to Ed-Fi.
