Building General Information (DN)

Ohio Building General Information Detail (DN) Editor

School

Use this field to select the School/Building for which the data is being collected.

School Year

Users must select the School Year for which data is being collected.

District Group Fields

Use the District Group fields to track the number of months spent on each Positive Behavior Intervention Support (PBIS) Implementation Stage.

▸ Click here to expand...

Code	Definition	Instructions
PBISIMPSTG	Number of months at Positive Behavior Intervention Support (PBIS) Implementation Stage	1. Use the drop-list to select the Implementation stage **Status**: • Not Yet Begun • Exploration and Adoption • Installation • Initial Implementation • Full Implementation • Innovation and Sustainability 1. In the **Months** field, enter the number of months in the selected Implementation Stage.

Financial Group Fields

In the Financial Group fields, enter the square footage of the building, the percentage of meals served, and the percentage of district students who are bused to the school.

▸ Click here to expand...

Code	Definition	Instructions
BLDGSQFEET	Square footage of a building	Enter the square footage of the building.
LUNCHRMPCT	Percentage of meals served for the building	Use this field to enter the percentage of meals served in the building.

Code	Definition	Instructions
TRANSPTPCT	Percent of students, in the district, bused for the building	In this field, enter the percentage of district students who are bused to the building.

Physical Education Evaluation Group Fields

These elements record student levels of achievement and are required during the Traditional Districts End of Year Student (S) Collection and the SOES End of Year Student (S) Collection. The number of records submitted depends upon the grades at each building that are assessed.
