

Section 504 (Oregon)

Last Modified on 10/21/2024 8:22 am CDT

The Section 504 tool allows the recording of student's Section 504 program participation start and end dates. Staff can print a Summary Report of the Section 504 information. **Overlapping records are NOT allowed.**

Section 504 refers to Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 701) which provides protections for individuals with disabilities to participate in education, programs, activities, employment, etc. Section 504 prohibitions against discrimination apply to service availability, accessibility, delivery, employment, and the administrative activities and responsibilities of organizations receiving Federal financial assistance. The definition for "individuals with disabilities" under Section 504 is more broad than the disability definition for IEPs and the IEP governing process.

See the core [Section 504](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Section 504 records.
