Tool Search: Foster Care

The Foster Care tool is used to indicate whether a student is in Foster Care. A start and end date is associated with each instance of a Foster Care record. These records are not tied to student enrollments or calendars.

Overlapping records are not allowed.

See the core [Foster Care](#) article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Foster Care records.

The screenshot shows the 'Foster Care' tool interface. At the top, there is a navigation bar with 'Student Information > Program Participation > Foster Care'. Below the navigation, a student profile is displayed: 'Student, Raymond' with a photo, 'Student #: 654321', 'Grade: KG', and 'DOB: 02/13/2018'. On the left, there is a sidebar with icons for 'New', 'Save', 'Delete', 'Print Summary Report', and 'Documents'. The main content area shows a table for 'Foster Care' with one record: 'Program Status' (01: Foster Care), 'Start Date' (01/01/2024), 'End Date' (empty), and 'Created By' (Morrow County School District 1 2147 06/18/2024). Below this, a 'Foster Care Detail' section is expanded, showing fields for 'Start Date' (01/01/2024), 'End Date' (empty), 'Program Status' (01: Foster Care), 'School of Origin' (empty), and 'Comments' (empty). At the bottom of the detail section, it says 'Modified By: Administrator, System 06/18/2024 03:25 PM'.
