Scheduling Board - Start here

Last Modified on 08/14/2026 10:40 am CDT

The Scheduling Board provides a visual representation of a school's overall schedule, much like a spreadsheet or a magnetic whiteboard, to visualize and build the school's schedule.

Getting started

- Scheduling timeline
- Scheduling best practices
- Security and data precautions

Tutorials

- Scheduling Board overview video
- Scheduling Board Trials video

How-to guides
