State Reporting Special Ed Fields (Arizona) [.2211 - .2307]

Last Modified on 03/16/2023 11:31 am CDT

> You are viewing a previous version of this article. See State Reporting Special Ed Fields (Arizona) for the most current information.

Evaluation Summary Report | Exit Evaluation | Individual Education Plan

The following sections document the specific fields used for state reporting purposes. For more specific information about the Evaluation and IEP, see the corresponding linked documentation for each section below.

> See the Arizona Special Ed Setup - State Reporting Purposes Only document for information about setting up state reporting fields for users who do not use Campus Special Ed to manage legally compliant special education documents.
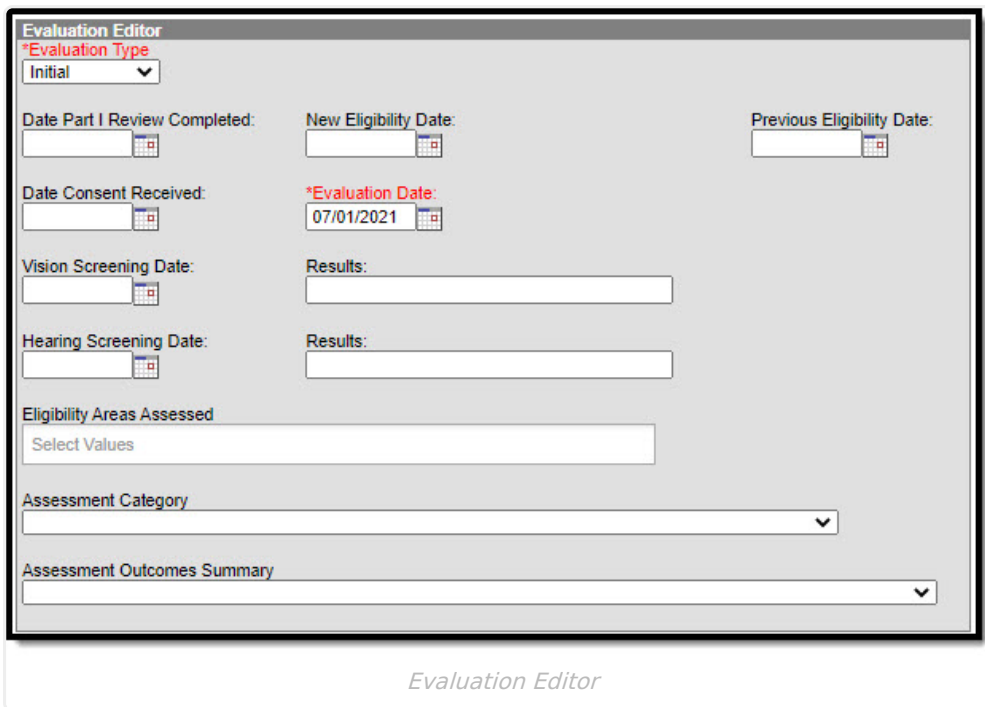

Evaluation Summary Report

Classic View: Student Information > Special Ed > General > Documents > Evaluations

The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

> See the Arizona Evaluation Summary Report document for the most updated format of the Evaluation. See the Arizona Department of Education Special Education website for state guidelines.
