Technical Information - Release Pack Campus.2315

Last Modified on 12/23/2025 2:44 pm CST

This article collects the changes made to the database schema as part of the Campus.2315 release pack. Campus provides this information to enable users to update queries and scripts that may be affected by these changes.

We've made some changes!

Thanks for your feedback via our recent survey. We're continuing to make updates to how we provide this information; here are the changes we've made this time:

- Added the column names and data types included in each new table.
- Restored the Data Type information for new columns.
- Removed the Description for new and modified columns to simplify and reduce confusion.

Please use the comments field at the end of this article if you have feedback. Thanks!

Data Definition Language Scripts (DDL)
