**Classic Path:** Student Information > PLP > Team Members

**Search Terms:** PLP Team Members

The Team Members tab lists the individuals who are part of a student's education team, including team managers, family and service providers. The Role assigned to team members determines whether the student appears in the team member's [Caseload \(PLP\)](#). Members can be added through finding an existing person and linking them or by entering a person without consulting Census.

The screenshot displays the PLP Team Members tool interface. At the top, there are buttons for Save, Delete, Find & Link New Team Member, Enter New Team Member, Print Active Only, and Print All. Below these is a table with columns for Start Date, End Date, Title, Name, and Caseload Role. The table contains one entry: Start Date 07/21/2021, End Date (blank), Title Guard: Father (GUARDIAN), Name Adams, Damen, Sr., and Caseload Role (blank). ## Add New Team Members by Using the New Team Members Icon

1. Select the **Enter New Team Member** button. A **Team Member Detail** editor displays.
2. Enter the desired fields as defined above.
3. Click the **Save** button when finished. The new member will display in the Team Member Editor.

## Link All Classroom Teachers

The Link All Classroom Teachers button adds all of the student's teachers to their team. This option adds each [Primary Teacher](#) assigned to a course section in which the student is scheduled to view the student's education plan.

The "Link All Classroom Teacher Date Override" dialog displays. Start dates populate for each record based on when the student is enrolled in that teacher's class unless a different start date is entered. Entering a date pulls in teachers with the date entered as the start date.

The option to Link All Classroom Teachers only displays if the [Special Ed Preference](#) to *Enable Team Member List to Populate from Classroom Teachers* is set to Yes.

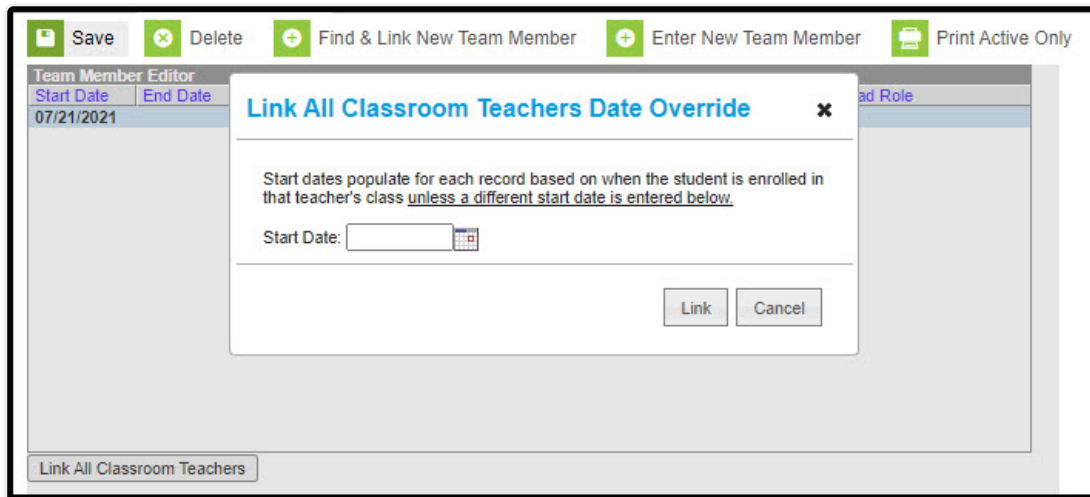

Image 3: Link All Classroom Teachers

Start and End dates populate for each teacher's record based on when the student is enrolled in that teacher's class. Membership records for teachers in future sections are entered as inactive memberships.

## Find and Link Team Members

The **Find and Link New Team Members** tool allows users to select new team members from a limited list based on likely candidates, such as those connected to the student in Census, the student's teachers, and staff members designated as an Advisor in their [District Assignments](#). Existing individuals are then linked to the student and their information provided. See the following table for a description of the fields in this editor.

Image 4: Find and Link New Team Members

One new team member can be added at a time. For example, if a selection is made in the Census dropdown, no other selections can be made.

Field	Description
<b>Census</b>	This dropdown list is made up of individuals who have a connection of the student though Census, such as members of the student's household, other guardians and emergency contacts. Individuals are listed with their Name (last, first), their status as a guardian of the student (Guard/Non-guard) and their relationship with the student (Mother, Father, etc). This list is based on the <a href="#">Relationships</a> established for the student.
<b>Caseload Role</b>	The Caseload Role field describes the access this individual will have to the student. <ul style="list-style-type: none"> <li>• <b>Service Provider:</b> Student will appear in the Service Provider section of the team member's Caseload.</li> <li>• <b>Case Manager:</b> Student will appear in the Team Manager section of the team member's Caseload.</li> </ul>
<b>Classroom Teachers</b>	This field pulls a list of the student's current teachers, based on the the student's schedule.
<b>Advisor Staff</b>	This field includes staff members who have a District Assignment of <b>Advisor</b> .

Once the desired individual is selected, click **Add Team Member** to add the individual to the student's special education team. Contact information will populate from Census and the Start Date of the team membership will default to the current date. For an explanation of the fields that appear for a team member, see the Team Member Fields table below.

## Add Team Members Using the Find and Link New Team Member Tool

1. Select the **Find and Link New Team Member** button. The **Find New Team Member** editor displays.
2. Select the desired individual from the appropriate dropdown list.
3. Assign that individual a **Caseload Role**.
4. Click the **Add Team Member** button. The person will display in the **Team Member Editor**. The **Start Date** of the team membership defaults to the current date.

Selecting the newly added individual will display that person's team member detail, noting when the individual was added as a team member to that student, the assigned role, specific qualifications or comments. Certain information here is pulled from saved Census data. At any time, use the **Refresh Census Information** button to display any updated details (like phone numbers and email addresses). Edits can be made to this detail record to add those qualifications and comments and to designate the Agency of the team member or to mark them as the Service Coordinator.

## Print Team Members

A PDF of all or just active team members can be printed by selecting the Print Active Only or Print

All icons.

To print a list of all active team members, click the **Print Active Only** button. To print all team members, including inactive ones, click the **Print All** button. The list of team members will print in PDF format, sorted by Active and Inactive, with the Name, Title and Contact Information for the team members.

If a team member's contact option is marked as Private on the [Demographics](#) tool, that value is hidden from view and will not be printed.

The screenshot shows the Infinite Campus 'Team Members' interface. At the top, there are tabs for 'Summary', 'Team Members', 'Documents', and 'Contact Log'. Below these are buttons for '+ Find & Link New Team Member', '+ Enter New Team Member', 'Print Active Only', and 'Print All'. A red box highlights the 'Print Active Only' and 'Print All' buttons.
