Tool Search: Section Student Detail

The Section Student Detail tool provides a location where districts can collect course-related state reporting data for individual students in a course section.

See the core [Section Student Detail](#) article for additional information.

The screenshot shows the 'Section Student Detail' interface. At the top, it displays the course section '0103-110 SOCIAL STUDIES 1' and the teacher 'VERONICA'. The main area is a table listing student records. Each row represents a student and includes their name, start date (09/05/2022), end date (12/30/2022), and college credits earned (3.000). The table has three columns: 'Start Date', 'End Date', and 'College Credits Earned'. The student names listed are OMAR (01) #, ZOEY (01) #, KARISSA (01) #, and GIANNA (01) #. At the bottom of the table, there are two buttons: 'New' and 'Batch Fill'.

Start Date	End Date	College Credits Earned
