You are viewing a previous version of this article. See [Evaluation Summary Report \(Arizona\)](#) for the most current information.

Classic View: Student Information > Special Ed > General > Documents

Search Terms: Special Ed Documents

The Individual Education Program (IEP) or Evaluation team uses the Evaluation to document the student's educational needs and the student's determination of eligibility for special education.

The current format of this document is the **AZ ESR 2021**. Evaluation formats are selected in [Eval Types](#).

The screenshot shows the 'Arizona Evaluation Editors' interface. At the top, there are buttons for 'Save', 'Save & Continue', and 'Print'. Below these is a navigation menu on the left titled 'Evaluation Outline' with items like 'Evaluation Information', 'Student Demographics', and 'Parent/Guardian Demographics'. The main area is titled 'Evaluation Editor' and contains several fields: 'Evaluation Type' (dropdown menu), 'Date Part I Review Completed', 'New Eligibility Date', 'Previous Eligibility Date', 'Date Consent Received', '*Evaluation Date' (with a date of 12/28/2020), 'Vision Screening Date', 'Results', 'Hearing Screening Date', 'Results', 'Eligibility Areas Assessed' (with a 'Select Values' dropdown), 'Assessment Category' (dropdown), and 'Assessment Outcomes Summary' (dropdown).

Arizona Evaluation Editors

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation summary report, including the documentation of eligibility, is given to the student's parents by the school district.

Evaluation Summary Report Editors

The following table includes a list of the editors available on the student's Evaluation, a description

of what the editor is used for and any special considerations and instructions for using the editor.

Editor Name	Description	Special Considerations and Instructions
Evaluation Information	The Evaluation Information editor includes general information about the evaluation, including relevant dates and the type of evaluation.	<p>The Evaluation Date is a required field and auto-populates to the current date when the Evaluation is created. This editor must be saved before progressing to other areas of the evaluation.</p> <p>The Creation and Modification information for the plan will appear at the bottom of this editor.</p>
Student Demographics	The Student Demographics editor includes student data entered in the Demographics tab.	Click the Refresh Student Information to synchronize the information in the editor with the current information entered on the Demographics , Households , School and Enrollments tools.
Parent/Guardian Demographics	The Parent/Guardian Demographics editor populates based on established student/guardian relationships created on the student's Relationships tool or indicated by the guardian checkbox on the Households tool. The editor includes Demographics information for the student's guardian.	Click Refresh Guardian Information to synchronize information in the editor with the most recent information from the student's guardian's Demographics and Households tools.
Review of Existing Data	The Review of Existing Data editor is used to describe methods by which the student has been evaluated, including types of tests and the results.	N/A
Team Members Involved	The Team Members Involved editor is used to list the team members participating on the student's evaluation team.	Team members must be added in the Team Members tool before entering participants.

Editor Name	Description	Special Considerations and Instructions
Additional Data	The Additional Data editor is used to document the type of report used to document any additional data.	If “Other (please specify)” is selected, an additional text field displays, allowing the user to type in which report they are using.
Present Levels	The Present Levels editor is used to document the present levels of academic performance and educational needs of the student.	N/A
Impact of Disability	The Impact of Disability editor is used to document the impact of the disability on the student's performance in the educational environment and progress in the general education curriculum.	N/A
Educational Needs	The Educational Needs editor is used to document the student's the educational needs for the student.	N/A
Signature Page	The Signature Page is used to document the team meeting attendance.	Team members must be added on the Team Members tool before entering participants.
