

Behavior (Arizona)

Last Modified on 04/02/2025 11:47 am CDT

The Behavior Office toolset provides tools for monitoring and recording behavior incidents, for creating letters for parents/guardians regarding student's behavior and for generating reports related to behavior.

Behavior fields that are specific to the state of Arizona are described below in the Behavior Settings and Behavior Management sections.

Behavior Settings

The Behavior Settings tools provide districts a way to set up behavior events/incidents, resolutions, and responses.

See the core [Event Types](#) and [Resolution Types](#) articles for information on creating this information.

Data reports in the following Ed-Fi Resources. See the [Arizona Ed-Fi](#) article for Resource details:

- Discipline Actions
- Discipline Incidents
- Student Discipline Incident Behavior Associations

Event Setup

Tool Search: Event Type Setup

Behavior Event Types organize behavior incidents into categories.

Behavior Management

Tool Search: Behavior Management

The Behavior Management tool is used to record all behavior incidents that occur in a school. Information is separated into Behavior Events, Participants in that event, and Resolutions to that event.

See the core [Behavior Management](#) article for information on recording and processing behavior incidents.
