This entity represents a parent or guardian of a student, such as mother, father or caretaker.

If the 'Does your LEA want to 'opt-in' to send records for both Parents and Student Parent Association Resources for all students?' checkbox is marked on the Parents resource preferences, then Parents records for all students will report based on existing reporting/trigger log.

If the checkbox is not marked, then Parents records for students with an active FRAM Eligibility record with Type = Meal or SES for the current/reporting school year and eligibility is = Free or Reduced will report.

1. A record is considered active when the FRAM end date is greater than or equal to the last instructional date on the calendar
2. Follow all other reporting logic.
