Tool Search: Pupil Count

The Pupil tool allows schools to track Wisconsin State-defined Pupil Count records.

The screenshot shows the 'Pupil Count' tool interface. At the top, there's a header with a user icon, the title 'Pupil Count', and navigation links for 'Student Information', 'State Programs', and 'Pupil Count'. Below the header, there's a form for entering student information: 'Student #', 'Grade: 10', and 'DOB'. A 'Related Tools' button is also present. The main area is divided into two sections. The top section, 'Pupil Count Summary', contains a table with columns for 'Start Date', 'End Date', 'Program', and 'Residency/Census Status'. The bottom section, 'Pupil Count Detail', is a form for adding or editing a record. It includes fields for 'Start Date' (marked with a red asterisk), 'End Date', 'Program' (a dropdown), 'Residency/Census Status' (marked with a red asterisk and a dropdown), '3rd Fri of Sept Mem Override' (a dropdown), '2nd Fri of Jan Mem Override' (a dropdown), '1st Fri of May Mem Ovrd - Milwaukee' (a dropdown), 'FTE' (a text field), 'Part-Time Instructional Minutes' (a text field), and 'Comments (up to 255 characters)' (a text area). A 'District Defined Elements' section is at the bottom of the detail form.
