Tool Search: Graduation

The Graduation tool provides districts with the ability to track graduation information used in state reporting, AYP (Average Yearly Progress) determinations and on-target diploma information. Districts can track when a student first entered ninth grade and calculate their expected graduation date.

See the core [Graduation](#) article for additional information.

Diploma Type

Indicates the graduation plan under which the student graduated. Detailed explanations of these diploma types are defined by the Oregon Department of Education and available [here](#).

► [Click here to expand...](#)

Code	Description	Definition
0	Not Applicable	
1	Regular High School Diploma	<p>The Oregon Diploma is designed to prepare each student for success in all aspects of their life, including college and career, citizenship, and life-long learning.</p> <p>To earn a diploma, students need to successfully complete the following:</p> <ul style="list-style-type: none"> • demonstrate proficiency in the Essential Skills, • complete personalized learning requirements, and • earn credit requirements.

Code	Description	Definition
2	Modified High School Diploma	<p>This diploma is given to students who:</p> <ul style="list-style-type: none"> • have a Documented History, meaning there is evidence in the cumulative record and education plans of a student that demonstrates the inability over time to maintain grade level achievement even with appropriate modifications and accommodations. • have an Instructional barrier, meaning there is a significant physical, cognitive or emotional barrier that impairs a student's ability to maintain grade level achievement. • is enrolled in a Modified course, meaning a course that has been systematically changed or altered for a student only after reasonable alternative instructional strategies (e.g. accommodations, remediation) are exhausted. • Receives Other services needed for learning.
3	Adult High School Diploma	<p>The Adult High School Diploma program provides an opportunity for persons with an exemption from compulsory attendance to earn a diploma.</p> <p>This diploma fulfills all state requirements for high school graduation and the community college program requirements. Credit is earned by the student prior to enrolling in or earned outside of the program for academic coursework and community college proficiency and life experience.</p>

Code	Description	Definition
4	Extended High School Diploma	<p>A school district or public charter school can award an extended diploma to students who have demonstrated the inability to meet the full set of academic content standards for a high school diploma with reasonable modifications and accommodations.</p> <p>A school district or public charter school may award an extended diploma to a student only upon the consent of the parent or guardian of the student, or upon the consent of the adult student or emancipated minor student. A district or school must receive the consent in writing and during the school year in which the extended diploma is awarded.</p> <p>This diploma is given to students who receive Other services for leaning, defined as:</p> <ul style="list-style-type: none"> • Services are paid for or provided by another agency, such as Vocational Rehabilitations. • Services such as school assemblies, student orientations, testing, etc., are considered in the calculation of the total number of hours that equals at least the total number of instructional hours required to be provided to students who are attending public high school.
