Tool Search: Graduation

The Graduation tool provides districts with the ability to track graduation information used in state reporting, AYP (Average Yearly Progress) determinations and on-target diploma information. Districts can track when a student first entered ninth grade and calculate their expected graduation date.

See the core [Graduation](#) article for additional information.

State Seal Information

The State Seal Information section provides a way to add certain areas of proficiency to a student's graduation record.

The screenshot shows a form titled "State Seal Information" with a sub-header "*State Seals and Certs". It features three columns: "State Seals and Certs", "Date Earned", and "Language". The "State Seals and Certs" column contains a dropdown menu with "00: World language proficiency certificate" selected. The "Date Earned" column is empty. The "Language" column contains a dropdown menu with "Balinese (0380)" selected. Below the form is a button labeled "Add State Seal". The form is titled "State Seal Editor" at the bottom.
