Other					
Determination of Eligibility					

BIE Evaluation Summary Report Editors

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation team report, including the documentation of eligibility, is given to the student's parents by the school district.

Evaluation Summary Report Editors

The following table lists the editors available on the student's Evaluation, the section(s) of the print format that include the entered information, a description of what the editor is used for, and any special considerations and instructions for using the editor.

Editor	Printed Document Section	Description	Special Considerations and Instructions
Evaluation Header	Header of Printed Document	The Evaluation Header editor lists general information about the Evaluation.	This editor must be saved before continuing to other parts of the evaluation.
Parent/Guardian Information	Parent Information	The Parent/Guardian Information editor is used to document the reasons for referral, information about the parents/guardians and school personnel.	Template Banks are established in System Administration and available by clicking the white paper icon next to the header of the appropriate sections.
