Campus Student & Campus Parent

Last Modified on 07/29/2026 8:10 am CDT

Infinite Campus provides a Portal for both students and parents to keep on top of what's happening at the school. It requires some setup before they can access it. Listed here are resources for the districts and for students and parents.

Portal information for districts

Display Options

Portal Display options allow schools to determine which tools and data are available in the Campus Student and Campus Parent Portals. These are school-specific settings and are scoped to the calendar selected in the toolbar.

See the following for more information:
