Tool Search: Home Screen

The Portal Home Screen tool allows districts to add a message that displays for all Campus Student and Campus Parent users. This message displays after parents and students have already logged in, compared to [Announcements](#) set to Publish to Portal Login, which display on the log in screen before parents and students have logged in.

Information entered in the Home Screen tool is visible to all students or parents in the districts.

See the [Portal Home Screen Tool Rights](#) article for information on available tool rights.

Display text entered in this tool displays for all students or parents, respectively. Use the WYSIWYG to format text and include images or links. Use the first editor for [Campus Student](#) and the second editor for [Campus Parent](#).

Entered text, links, and images display at the top of the Home screen in Campus Student or Campus Parent once the user has logged in:
