

Data Health Check to Data Validations Checklist

Last Modified on 09/12/2023 10:43 am CDT

Use this checklist to insure users who were users of the Data Health Check have proper access to the Data Validations Report to view the results of rules included in default validation groups.

Default Validation Groups were included in the 2335 Campus release.

| Done | Task | Related Content |
|--------------------------|--|--|
| <input type="checkbox"/> | Update to Campus .2335 or later. | Release Pack Campus.2335 - August 2023 |
