Add - N/A

Delete - N/A

Report Logic

Each row counts for students in State Grade Levels KG, 01, 07, and 12, unless otherwise indicated. Counts on this report use the ImmComplianceStatus table to obtain the Compliance Status for each student with an active enrollment on the Effective Date.

Extract Editor

Extract Field	Description
Effective Date	The day on which data is pulled for the report.

Extract Field	Description
Select Grade(s)	The grade level(s) reported. Multiple grades can be selected. Options are: KG, 01, 07, and/or 12.
Generate Report	Generates the report for the calendar(s) selected in the Campus toolbar.

Generate Report

1. Enter an **Effective Date**. The day defaults to today.
2. Select which **Grade(s)** to include on the report.
3. Click **Generate Report**.

Header

Element	Description	Database Location
Report Period	The school year that contains the Effective Date selected in the extract editor. <i>Numeric, CCYY-CCYY</i>	SchoolYear.startYear + SchoolYear.endYear
Name and Title of Person Completing Report	The person generating the report.	N/A
Date of Report	The effective date selected in the extract editor. <i>Date, MM/DD/YYYY</i>	Effective Date from Extract Editor
Name of School	The name of the school generating the report. <i>Alphanumeric</i>	School & District Settings > School Information > Name School.name
Phone	The phone number of the school generating the report.	School & District Settings > School Information > Phone School.phone

Element	Description	Database Location
School Address	The street number and name for the school's address.	School & District Settings > School Information > Address School.address
City	The city where the school is located.	School & District Settings > School Information > City School.city
State	Reports as ID. <i>Alphanumeric, "ID"</i>	N/A
Zip	The zip code for the school. <i>NNNNN-NNN or NNNNN</i>	School & District Settings > School Information > Zip School.zip
County	The name of the district county. <i>Alphanumeric</i>	School & District Settings > District Information > County County.name
School District #	The district number of the school.	School & District Settings > District Information > Number District.number
e-mail address	The email address of the person generating the report.	N/A
Type of School	Indicates the type of school reporting. Options include Public, Private, or Charter.	Checkboxes

Report Layout

Element	Description
A. TOTAL ENROLLMENT	
1. Total Enrollment	The total number of students enrolled per grade.
B. TOTAL COMPLETE	

Element	Description
1. Total Number Complete	The total number of students with a Compliance Label of Compliant or No Requirement for each listed vaccine.
C. EXEMPTIONS	
1. Total Number of Students with Medical Exemptions	The total number of students with a Medical exemption waiver.
2. Total Number of Students with Religious Exemptions	The total number of students with a Religious exemption waiver.
3. Total Number of Students with Personal Exemptions	The total number of students with a Personal exemption waiver.
4. Total Number of Exempted Students	The total number of students with waivers (sums C1 + C2 + C3).
D. NO RECORDS	
1. Total Number No Records	The total number of students with no vaccine shot records for all listed vaccines.
E. INCOMPLETE	
1. Total Number Incomplete	The total number of students with a Compliance Status of Non-Compliant.
F. VALIDATION	
Total Students = B1 + C4 + D1 + E1	<p>The total number of students enrolled compared to the total number of vaccine totals for sections B-E.</p> <p>For example, a school has 100 Kindergarteners Enrolled but the sum of B-E is only 88. This field would report as 100 + 88, indicating there are 12 missing records.</p>
G. DIPHTHERIA, TETANUS, PERTUSSIS (DTaP, DTP, DT, Tdap, Td)	
1. Total Number Complete	The total number of students who are Compliant or No Requirement for DTaP-DTP.
2. Number of students missing 1 or more doses	The total number of students In Process for DTaP-DTP.
3. Number of students exempt	The total number of students who have a waiver for DTaP-DTP.
H. POLIO (IPV, OPV)	

Element	Description
1. Total Number Complete	The total number of students who are Compliant or No Requirement for Polio.
2. Number of students missing 1 or more doses	The total number of students who are In Process for Polio.
3. Number of students exempt	The total number of students with a waiver for Polio.
I. MEASLES, MUMPS, RUBELLA (MMR, MMRV)	
1. Total Number Complete	The total number of students who are Compliant or No Requirement for MMR or MMRV.
2. Number of students missing 1 or more doses	The total number of students who are In Process for MMR or MMRV.
3. Number of students exempt	The total number of students who have a waiver for MMR or MMRV.
J. HEPATITIS B	
1. Total Number Complete	The total number of students who are Compliant or No Requirement for Hepatitis B.
2. Number of students missing 1 or more doses	The total number of students who are In Process for Hepatitis B.
3. Number of students exempt	The total number of students who have a waiver for Hepatitis B.
K. VARICELLA (CHICKENPOX MMRV)	
1. Number students with 2 dose	The total number of students who have received two doses of Varicella.
2. Number student with 1 dose	The total number of students who have received one dose of Varicella.
3. Number students who have had the disease	The total number of students who have had Chickenpox and are NOT vaccinated.
4. Number students who are vaccinated and have had the disease	The total number of students who have had Chickenpox and are vaccinated.
5. Number students with unknown history	The total number of students where their Chickenpox history is unknown.
L. HEPATITIS A	
1. Number students with 2 doses	The total number of students who have received two doses of Hepatitis A.

Element	Description
2. Number of students with 1 dose	The total number of students who have received one dose of Hepatitis A.
3. Number of students with no vaccination history	The total number of students who do not have any doses recorded for Hepatitis A.
M. TETANUS, DIPHTHERIA, PERTUSSIS BOOSTER (Td, Tdap)	
1. Number of students with 1 dose	The total number of students who have received one dose of the Td/Tdap booster.
2. Number of students with no vaccination history	The total number of students who do not have any doses recorded for the Td/Tdap booster.
N. MENINGOCOCCAL (MenACWY)	
1. Number of students with 2 doses	The total number of students who have received two or more doses of Meningococcal.
2. Number of students with 1 dose	The total number of students who have received one dose of Meningococcal.
3. Number of students with no vaccination history	The total number of students who do not have any doses recorded for Meningococcal.
