Students click the hand icon to enter a question and click **Raise Hand** to submit it. They can also click Raise Hand without asking a question, such as to get the teacher's attention in a classroom setting. Students can modify their question or remove it at any time.

Once a student submits raises their hand, the hand icon displays as red. Once a teacher responds, the icon changes to a green speech bubble. Resolve the question to clear it, or ask a new one.

Set thresholds to only receive notifications when a grade or score falls below the selected percentage or a lunch balance falls below the selected dollar amount. From the User Menu, select Settings, then Notification Settings. Click the arrows to change the threshold or click and drag the dot.

Notifications are not sent for any tools that have been disabled by the district. Only districts using Campus Food Service receive low balance notifications.

These Check-Ins may display for each virtual section or one per day; some students are required to respond during the period the section would normally meet and other have all day to respond. Contact your school if you have questions about how they're doing virtual attendance.

To respond to a Check-In, click the Check-In on the Today screen and then click **Yes, I'm Here**.
