

# Rx Pack - Campus.2339

Last Modified on 12/23/2025 11:00 am CST

The following corrections are included in Rx Packs for September and October 2023. Rx Packs contain a small number of critical cases to fix urgent issues, with delivery in an immediate time frame (e.g., the fix cannot wait for the next four week Release Pack).

It is recommended that customers apply all subsequent Release Packs immediately following Rx Packs. Doing so will benefit both customers and Infinite Campus when it comes to supporting the patch.

Rx Packs are cumulative; each Rx pack will automatically include all previous Rx packs within that release. These cases will also be included in the Campus.2343 pack unless otherwise noted.

Below is a list of all Rx Packs for Campus.2339 and the date of availability:

- Rx Pack Campus.2339.11 - Wednesday, November 8, 2023
- Rx Pack Campus.2339.10 - Friday, November 3, 2023
- Rx Pack Campus.2339.8 - Saturday, October 21, 2023
- Rx Pack Campus.2339.7 - Friday, October 13, 2023
