Tool Search: Special Ed Documents

Evaluations are used to document the student's educational needs and the student's determination of eligibility for special education. This document describes each editor, the section(s) of the print format that include the entered information, a description of each field on the editor, and any special considerations and instructions for using the editor and fields.

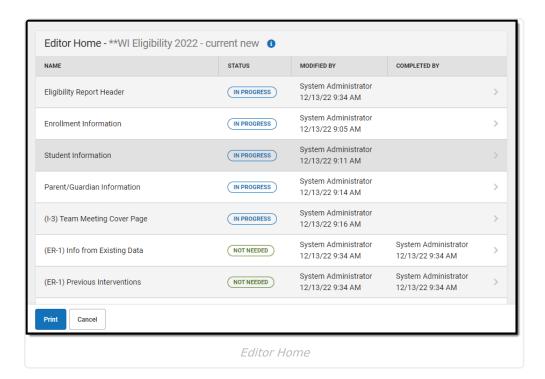

An evaluation must be created whether or not the student is determined to have a disability. A copy of the evaluation summary report, including the documentation of eligibility, is given to the student's parents by the school

The current format of this document is the **WI Eligibility Report 2023**. Evaluation formats are selected in Eval Types.

Editor Home

The Editor Home lists the editors available on the student's Evaluation and the Modification and Completion information.

Header	Description
Name	The name of the editor.
Status	 In Progress indicates a user has entered and saved data in that editor. Not Started is the default status for all editors. Complete indicates a user has clicked the Complete button on the editor. This does not lock the editor from further editing, but indicates the user considers the editor to be finished. Not Needed indicates a user has clicked the Not Needed button on the editor. This is usually done for editors that do not apply to the student.
Modified By	The date and the user by whom the editor was last edited.
Completed By	The date and the user who clicked the Complete button for that editor.

General Evaluation Information

The following table lists the buttons available for the editors:

Button

Button	Description
Save	 Different editors have different save options. Click the arrow next to the Save & Stay button to view all saving options for any given editor. Save captures progress and navigates the user to the Editor Home or to the List Screen for List editors. See the Editor Types section for additional information. Save & Stay captures progress and keeps the user on the current editor. This save button is the default save option and usually found within the detail screen of List editors, such as Goals and Objectives. Save & Next captures progress and navigates the user to the next editor. Save & New captures progress and creates a new record. This save button is usually found within the detail screen of a list editor, such as Goals and Objectives. See the Editor Types section for additional information.
Refresh	Retrieves a new copy of data from the student's record. This includes enrollment, student, parent/guardian, and team member information. This also returns any accidentally deleted people records. Manually entered fields do not change when the refresh button is clicked. The user must Save after clicking Refresh to capture changes. A side panel displays listing all applicable Enrollment records for the student. See the Enrollments tool documentation for additional information.
Cancel	Navigates the user to the Editor Home screen or to the List Screen for List editors.
Status i.e. Complete, Not Needed, etc.	 Complete indicates the editor is finished. This makes the editor read-only. However, this does not lock the editor from further editing. To further edit after an editor is marked Complete, the user must click In Progress. Not Needed indicates the editor does not apply to the student's evaluation. This makes the editor read only. However, this does not lock the editor from further editing. To further edit after an editor is marked Not Needed, click the In Progress button. In Progress only displays when the editor is in the Complete or Not Needed status and allows additional edits to be made.
Print	Prints the entire evaluation.
Editors	Opens a side panel listing all the available editors and their status. Select an editor from this list to navigate to that editor or click Close to collapse the side panel.
Previous	Navigates the user to the previous editor.
Next	Navigates the user to the next editor.

Editor Types

There are two types of editors available: List or Basic editors. When navigating to a Basic editor,

the list of fields within the editor display. List editors display a list of all records within that editor. Clicking an existing record or the New button opens the detail view for an individual record. An example list editor is the Individual Student Data editor.

Padlock Icon

Only one user at a time can actively work on an editor. A person with a padlock icon in the Editors side panel, Editor Home, and List Screen of list editors indicating which editors currently have users working on them. Hovering over the icon displays the name of the user who has checked out the editor, including the current user (you).

Editors that are currently being edited are read only for all other users. The name of the person working on the editor displays in the header. Once the editing user navigates away from an editor, that editor becomes available for others to work on.

Template Banks

Certain fields within several editors have a paper icon displays next to their name. When the icon is clicked, a side panel displays with the available library of predetermined text for that field. Template Banks are managed in System Administration.
