

ISEP Update and Publish to Districts

Last Modified on 10/21/2024 8:22 am CDT

Tool Search Term: ISEP Update and Publish

The ISEP Update and Publish to Districts tool allows BIE State Edition users to update records and mass publish them to districts that participate in the Indian School Equalization Program (ISEP). The data entered is used in ISEP Verification, Certification, and Allotment reports to allocate money to Bureau of Indian Education-funded schools.

The tool is only available in the BIE State Edition.

ISEP Update & Publish to Districts ☆
