Tool Search: Special Ed State Reporting

The Special Education State Reporting tool allows users to store and manage student Special Education state reporting data. This tool removes the legal burden of having a Special Education team meeting for an amendment to the setting for age-based changes such as an early childhood student aging out.

See the core Special Education State Reporting for information on available Ad hoc fields and guidance on adding records.

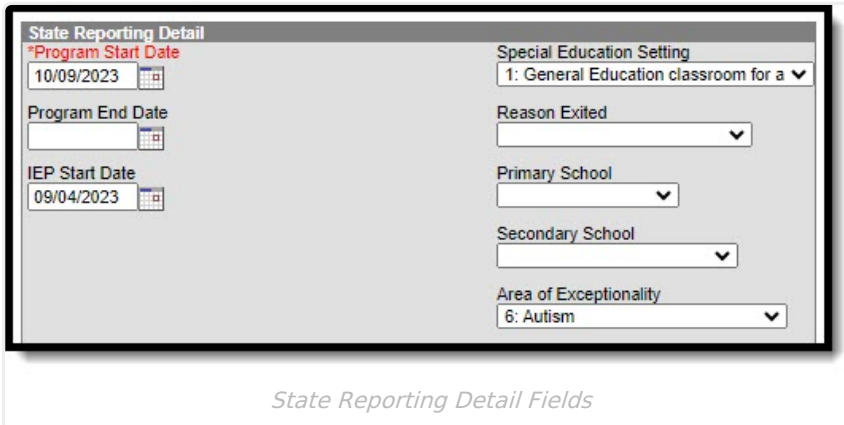

Special Education State Reporting Tool

See the Tool Rights section below.

Field Descriptions

The following fields are available on the SPED State Reporting Detail editor.

State Reporting Detail Fields

State Reporting Detail Fields

Program Start Date

The first day of the program record.

▸ Click here to expand...

Database Location:

SpecialEDState.startDate

Ad Hoc Inquiries:

Student > Special Ed State > specialEDStateGA.startDate

Ed-Fi Resource:

Student Special Education Program Associations

Program End Date

The last day of the program record.

▸ Click here to expand...

Database Location:

SpecialEDState.endDate

Ad Hoc Inquiries:

Student > Special Ed State GA > specialEDStateGA.endDate

Ed-Fi Resource:

Student Special Education Program Associations

IEP Start Date

The first day of the student's plan.
