Tool Search: Section Student Detail

The Section Student Detail tool provides a location where districts can collect course-related state reporting data for individual students in a course section. The College Credits checkbox, Hathaway Subject Override, and Percent Hathaway Course Requirement fields are used to indicate if college credits are earned for the course and to indicate the Hathaway credit/percent for the course.

See the core [Section Student Detail](#) article for additional information.

The screenshot shows the 'Section Student Detail' interface for '1100-1 Integrated Math I' with Teacher: Lifellearn, Kelvin. The breadcrumb trail is 'Scheduling & Courses > Courses > Section Student Detail'. A search bar labeled 'Search Students' has a placeholder 'Minimum 3 characters required'. To the right, 'Display Records' has buttons for 'Previous', 'Active' (selected), and 'Future'. The main area displays a list of student records. The first record is 'Test, Student 1 (09) #00001' with 'No records to display.' The second record is 'Test, Student 2 (09) #00002' with a table showing 'Start Date', 'End Date', 'College Credit: Yes', and 'Hathaway Subject Override' with a right arrow. The third record is 'Test, Student 3 (11) #00003' with 'No records to display.' The fourth record is 'Test, Student 4 (10) #00004' with a table showing 'Start Date', 'End Date', 'College Credit: Yes', and 'Hathaway Subject Override' with a right arrow.
