

Section Student Detail (Wyoming)

Last Modified on 02/26/2026 11:54 am CST

Tool Search: Section Student Detail

The Section Student Detail tool provides a location where districts can collect course-related state reporting data for individual students in a course section. The College Credits checkbox, Hathaway Subject Override, and Percent Hathaway Course Requirement fields are used to indicate if college credits are earned for the course and to indicate the Hathaway credit/percent for the course.

See the core [Section Student Detail](#) article for additional information.

Add Section Student Detail Record

1. Select the **New** button. The Section Student Detail side panel displays.
2. Select a student from the **Student(s)** field. Multiple students may be selected.
Note: Overlapping records are not allowed. Records currently existing for the selected student that have no End Date and a Start Date that is before the new Start date are auto-ended.
3. Enter the appropriate data for the selected student. At least one state reporting field must be populated to save the record.
4. Click **Save**.

Note: The Batch Fill option can be used to add a record for ALL students in the section who do not already have a record.
