Tool Search: Section Student Detail

The Section Student Detail tool provides a location where districts can collect course-related state reporting data for individual students in a course section. The College Credits checkbox and Hathaway Subject Override field are used to indicate if college credits are earned for the course and to indicate the Hathaway credit for the course.

See the core [Section Student Detail](#) article for additional information.

The screenshot shows the 'Section Student Detail' interface for course '1100-1 Integrated Math I' with teacher 'Lifellearn, Kelvin'. It features a search bar with the text 'Minimum 3 characters required' and a 'Display Records' section with buttons for 'Previous', 'Active', and 'Future'. Below this is a table with five student entries:

Test, Student 1 (09) #00001	No records to display.			
Test, Student 2 (09) #00002	Start Date	End Date	College Credit Yes	Hathaway Subject Override >
Test, Student 3 (11) #00003	No records to display.			
Test, Student 4 (10) #00004	Start Date	End Date	College Credit Yes	Hathaway Subject Override >
Test, Student 5 (09) #00005	No records to display.			

At the bottom left of the interface are 'New' and 'Batch Fill' buttons.
