Tool Search: Pregnant and Parenting

The Pregnant and Parenting tool tracks students who are pregnant and/or are a parent and are receiving related services. Programming is available for both mothers and fathers.

The screenshot shows the 'Pregnant And Parenting' detail editor interface. At the top, there is a header with the title 'Pregnant And Parenting' and a star icon. Below the header, there is a student information section showing 'Atwood, Nadia L.' with a student ID of 131900011, grade 11, and a date of birth of 05/12/2006. There are also icons for NHS and Fashion Design & Textile Art. A 'Related Tools' button is visible on the right. The main section is titled 'Program Information' and contains fields for 'Start Date' (01/02/2024) and 'End Date' (month/day/year). Below these is a 'Program Status' dropdown menu set to '1: Pregnant And Parenting'. There is a 'Comments' section with a text area and a note 'Maximum 255 characters'. At the bottom right of the comments section, it says 'Modified By: Administrator, Demo 01/17/2024'. Below the main form is a 'District Defined Elements' section with 'Save', 'Cancel', and 'Delete' buttons.

Use the [Federal/State Program Updater](#) to import existing Pregnant and Parenting records for students or to update records for multiple students.

Add a Pregnant and Parenting Record

A student may only have one active Pregnant and Parenting record at any given time. Overlapping records are not allowed.

1. Click **New**.
2. Enter a **Start Date** of when the student began participation in a Pregnant and Parenting program.
3. Select the appropriate **Program** for this student.
4. Enter any **Comments** needed for this record.
5. Click **Save** when finished.

States that use this tool may add fields to meet their specific data capture needs. Districts may

use the District Defined Elements area to add fields such as check boxes, comments and droplists to capture district-based Pregnant and Parenting data.

Pregnant and Parenting Detail Editor

The Pregnant and Parenting tool includes the following fields. Field names and available selections vary by state.
