

# Hall Monitor Grid

Last Modified on 12/14/2025 8:45 pm CST

The Scanning toolset is part of the [Campus Workflow Suite](#).

[Searching for a Student](#) | [Hall Pass Filters](#)

Tool Search: Hall Monitor Grid

The Hall Monitor Grid displays all students within the school that have a current hall pass. This includes the student's name, picture, pass location, and the remaining time for the hall pass. Once a pass is beyond the set duration, the time remaining will be red and begin to go negative in minutes/seconds.

After selecting a student, users will be taken to the [Student Hall Pass Lookup](#), where they can edit existing hall passes or create new ones.
