## Searching for a Student | Hall Pass Filters

### Tool Search: Hall Monitor Grid

The Hall Monitor Grid displays all students within the school that have a current hall pass. This includes the student's name, picture, pass location, and the remaining time for the hall pass. Once a pass is beyond the set duration, the time remaining will be red and begin to go negative in minutes/seconds.

After selecting a student, users will be taken to the [Student Hall Pass Lookup](#), where they can edit existing hall passes or create new ones.

**Read** - View Hall Monitor Grid.

**Write** - N/A

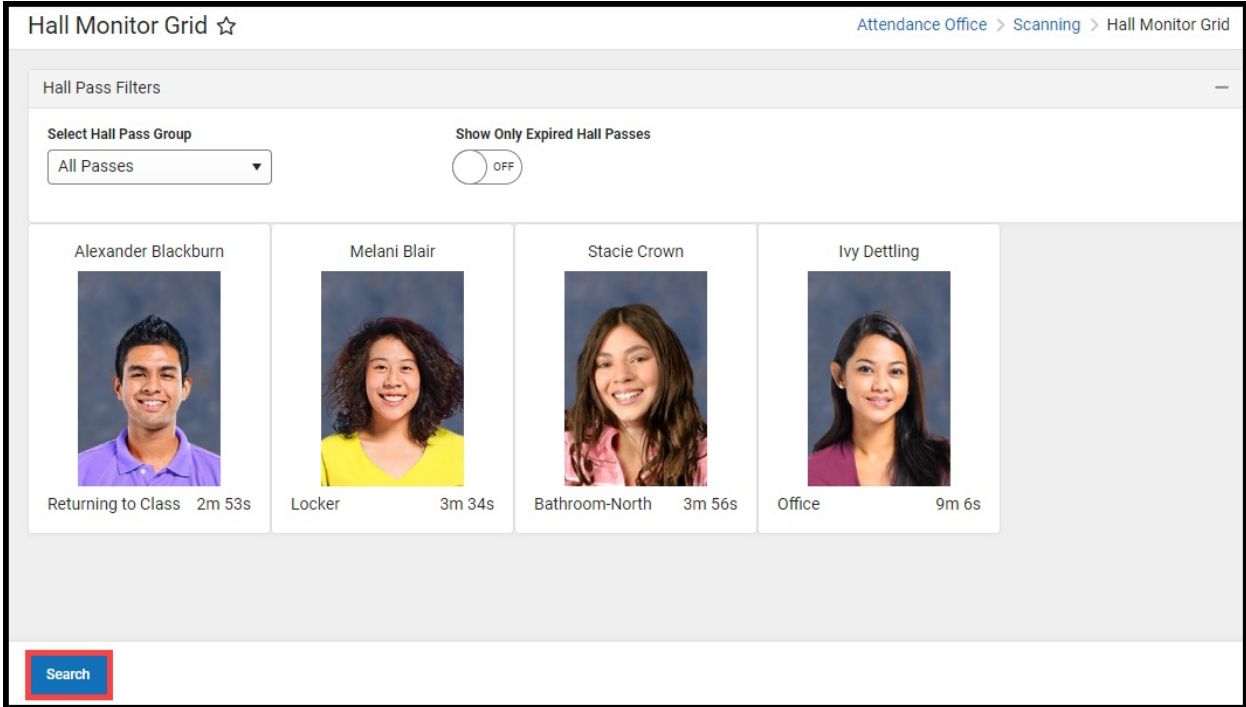

**Add** - N/A

**Delete** - N/A
