

Curriculum Library (Admin)

Last Modified on 12/14/2025 8:45 pm CST

The Curriculum Library is available as part of the [Campus Learning](#) premium offering.

Tool Search: Curriculum Library District Manager

The Curriculum Library lets teachers collaborate and share curriculum across a district. The Curriculum Library District Manager can view curriculum in the Library and remove items shared by anyone.

The screenshot shows the Curriculum Library interface. At the top, there is a navigation bar with a search icon, the Infinite Campus logo, and a user dropdown. The main title is 'Curriculum Library ☆'. Below the title is a search bar with placeholder text 'Search for content...' and a magnifying glass icon. To the right of the search bar are buttons for 'Search Results', 'Content', 'Folders' (which is selected), 'Resources', and 'Active Filters'. Below these buttons are links for 'Instruction', 'Curriculum Planning', and 'Curriculum Library'. The main content area displays a grid of curriculum items. Each item has a blue folder icon, a title, and a 'SHARED BY ME' badge. The items are:

- To Kill a Mockingbird: Grade Levels 10, 11; Subject English Language and Literature; Standards Writing. Actions: View, Add to Section, Delete.
- Spanish-American War: Grade Levels 09, 10, 11, 12; Subject Social Sciences and History; Standards 2 standards. Actions: View, Add to Section, Delete.
- Health Unit 3: Drugs and Alcohol: Grade Levels 09; Subject Physical, Health, and Safety Education; Standards HE6-8: Health Work Habits. Actions: View, Add to Section, Delete.
- Health Unit 2: Life: Grade Levels 09; Subject Physical, Health, and Safety Education; Standards HE6-8: Health Work Habits. Actions: View, Add to Section, Delete.
- Health Unit 1: The Body: Grade Levels 09; Subject Physical, Health, and Safety Education; Standards HE6-8: Health Work Habits. Actions: View, Add to Section, Delete.
- Reconstruction Era: Grade Levels 09, 10, 11, 12; Subject Social Sciences and History; Standards 2 standards. Actions: View, Add to Section, Delete.

At the bottom of the grid, there are navigation arrows, a page number '1', and a '20' items per page dropdown. The bottom right corner of the grid shows '1 - 20 of 53 items'.

The Curriculum Library collects all curriculum shared by users in the district.

The *Curriculum Library District Manager* tool right allows you to view curriculum in the Library and remove curriculum shared by anyone. *Enhanced Curriculum* and grading tool rights are not required for this level of access.

See the [Instruction Tool Rights](#) article for more information.

Check out this video for more information.

Search for Curriculum

Search and use filters to find curriculum in the library. The search looks for the entered text in the Name, Description, and other content in any curriculum in the library, including .pdf and .doc files.

Use the **Content** toggle below the search bar to toggle between displaying folders of curriculum or individual resources, which includes assignments and resources.

Filter Search Results

To further filter search results, click **Add Filters**.

The **Only Curriculum Shared by Me** option filters the library to show only curriculum that you have shared.

Other filter options are:

- Grade Levels
- Subjects
- Standards

These filters rely on the [Curriculum Details](#) entered for the curriculum before it was shared.

The screenshot shows the 'Curriculum Library' interface. At the top, there are tabs for 'Search Results', 'Content', 'Folders', and 'Resources'. The 'Content' tab is selected. Below the tabs, there is a search bar and a 'Active Filters' button with a red box around it. The main area displays a list of curriculum items, including 'To Kill a Mockingbird' and 'Health Unit 3: Drugs and Alcohol'. Each item has a 'View' button, a 'Add to Section' button, and a trash can icon. On the right side, there are filter options for 'Only Curriculum Shared By Me', 'Grade Levels', 'Subjects', 'Standards', and 'Context'. A red arrow points to the 'Active Filters' button.

View Curriculum

To view the curriculum in a folder, click the  button. A read-only version of the Curriculum List displays.

Click folders, resources, and assignments to view more information.

The screenshot shows the 'Curriculum Library' interface with a search bar containing 'gatsby'. The 'Content' tab is selected. The results show '1 Folder' named 'The Great Gatsby'. Below the folder name, its details are listed: Grade Levels 10, Subject English Language and Literature, and Standards ELA.1: Key Ideas and Details. There are 'View', 'Add to Section', and trash can buttons for this folder. The interface is similar to the one in the previous screenshot but shows only one item.

Remove Curriculum

1. Open the Curriculum Library and locate curriculum to be removed.
2. Click the  button.
3. In the message that displays, indicate if you want to **Remove Folder and Resources**, which removes the folder and anything inside it, or **Remove Folder**, which only removes the folder - any curriculum within the folder would no longer be grouped together. In the future, items would have to be removed individually.
4. Once you choose an option, curriculum is removed from the library.

Removing content removes it from the library. However, teachers who have already added it to their own section still have access to their own version. Likewise, teachers who shared the curriculum originally still have their own version.
