Tool Search: Grades

The student's Grades tool collects grades for a student, grouped by enrollment and course. Each grading task and/or standard aligned to the course is listed. Calculated GPAs are also displayed at the top of the screen.

Posted grades and In-Progress grades display. In-Progress grades are calculated based on assignment scores. Posted grades are finalized grades that have been posted by a teacher or other staff member.

The Grades tool shows lists a student's GPA and Grades.

Watch the video below to learn more about Grades.

Where Do Grades Come From?

In-Progress grades are calculated based on the student's assignment scores. Grades are calculated based on the Grade Calc Options established by the teacher or for the course or course master.

Grades are posted by the teacher via the Grade Book, the Progress Monitor. or the Post Grades tool. Other staff at the school, like counselors or administrative staff, may also record grades for students using the Grading by Task or Grading by Student tools in Scheduling.

Grades cannot be modified via this Grades tool.

View GPAs

GPAs (Grade Point Averages) display in a section at the top of the Grades tool. A GPA only displays if the student has a value calculated for it. See the GPA Calculations in Campus article for more information about how GPAs are calculated.

For Cumulative and Custom GPAs, that student's class rank displays below the GPA.

GPA		1	2	3	4
Term GPA (Weighted)		4.00	3.67	4.00	3.33
Term GPA (Weighted with Bonus Points)		4.00	3.67	4.00	3.33
Term GPA (Unweighted)		4.00	3.67	4.00	3.33
Term GPA (Unweighted with Bonus Points)		4.00	3.67	4.00	3.33
Rolling Cumulative GPA (Weighted)		3.86	3.85	3.86	3.84
Rolling Cumulative GPA (Weighted with Bonus Points)		3.86	3.85	3.86	3.84
Cumulative GPA (Weighted) **Class Rank**					3.85 3 out of 189
Cumulative GPA (Weighted with Bonus Points) **Class Rank**					3.85 3 out of 189

Calculated GPAs display at the top of the Grades tool.

Custom GPAs must be enabled on the Calendar GPA Calculation Setup tool. If a Custom GPA is enabled, the Rolling Cumulative GPAs does not display.

View Grades

The Grades tool lists the student's Posted and In-Progress grades by course. By default, all terms display. Filter grades by term using the buttons at the top of the screen.

Grades are shown for each alignment (grading tasks and standards).

- Posted grades display in **bold text**.
- In-Progress grades are indicated as shown in the image above.
- Grades that contribute to the Term GPA are indicated by a blue asterisk.
- The assignment icon (📄) indicates that the grades has assignment contributing to it.
- The comment icon (💬) indicates that the teacher has entered a Report Card comment for the student.

Grade Breakdown by Course and Category

Users with the **Student Information > Grades > Grade Book** tool right have additional access to grade details. Click on the name of a Course to view each task/standard grade broken down by Category. Click a Posted or In-Progress grade to view categories for just that task/standard. Expand a category to view the assignments that contribute to the grade.

Click on a course or grade to view categories.

Click an assignment to view a read-only version of it:

Click an assignment to view a read-only version.

View as Campus Student or Campus Parent

When you click the name of a course or a Posted or In-Progress grade, Options to **View as Campus Student** and **View as Campus Parent** display at the top of the screen.

Click either of these buttons to open a new window and view this Grades tool as it displays for this student and their parents, based on the Portal Display Options set for the school and calendar.
See the Student Profile article for student attendance and behavior data, and a list of to-do items for the student.
Settings

Expand the Settings menu to access the following
options:

- *Hide dropped courses* - hides courses that the
  student has dropped, as indicated by a Roster
  End Date prior to the current date.
- *Hide rows without grades or assignments* - hides
  any tasks and standards that do not have a grade
  calculated or assignments aligned.

Use the Expand All and Collapse All buttons to expand
or collapse all sections on whatever screen you're
viewing.

Print Report Cards

Click "Reports" to view a list of available report cards.

Click the **Reports** button to view a list of report
cards to print.

These report cards are created in the Report
Preferences area in System Administration and
are saved for use later when generating report
cards for all students in a grade level (using the
Report Card tool) or for generating here on the
Grades tool. All reports for the calendar are
listed.

The report card opens in a new tab in PDF
format.

When a student has multiple enrollments in the district, users (when assigned proper tool rights to Additional
Enrollment Grades) are able to print report cards for the other enrollments. Report cards for each enrollment are
organized by the Calendar Name.

The selected report card prints grades and attendance related to the selected schedule structure.

Additional Tool Rights Information

Full access to Student Grades requires **R** rights to the following:

- Student Information > General > **Grades**
- Student Information > General > **Grades > Grade Book**
- Student Information > General > **Grades > Additional Enrollment Grades**

*Classic Navigation Tool Rights for Student Grades*

New Look Tool Rights for Student Grades

Users cannot modify information on Student Grades. This tool displays posted term scores based on information entered in the teacher's Grade Book.

To see specific details for a particular course, assign the **Grades > Grade Book** tool right. This subright turns the course name and grade grid into links that the user clicks to view more information about the grade and assignments that contribute to it. To allow a user to print a report card for enrollments the student may have in other schools, assign the **Grades > Additional Enrollment Grades** tool right.

Grades Information in Ad hoc Query Wizard

Student Grades information is available in the Query Wizard for Student data types in the **Student > Grading > Term GPA** and **Student > Grading > Grading Detail** folders.

Student Grade Fields in Ad hoc
