

Immunization Rules (Vermont)

Last Modified on 05/28/2026 10:00 am CDT

Tool Search: Vaccine Setup

Health vaccines and their associated compliance listings are based on state guidelines. While Infinite Campus maintains standard guidelines for all states, districts have the ability to enter additional compliances. The following information describes vaccine compliance rules as defined by the Vermont State Department of Health.

For more information on the creation, modification or deletion of vaccine compliances, see the [Vaccine Setup](#) page.

Read - View existing vaccines.

Write - Edit existing vaccines.

Add - Add new vaccines.

Delete - Delete vaccines.

For more information about Tool Rights and how they function, see this [Tool Rights](#) article.

General Compliance

- All doses should be given after 6 weeks (except Hepatitis B).
- Rules for students below kindergarten are based on Vermont's recommended schedule, but rules are enforced for K-12.
- In Process rules are called Grace Period. Grace Period rules are considered Non-Compliant.

DTaP

Rule	Requirements
Under 2 months <i>No Requirement</i>	Students who are 1 month old or younger do not need any doses of the DTaP vaccine.
Preschool 2-3 months - 1 dose <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They are at least 2 months old but no older than 3 months. • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive one dose of the DTaP, Td, or Tdap vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance.

Rule	Requirements
<p>Preschool 4-5 months - 2 doses <i>Compliant</i></p>	<p>Students are considered compliant when:</p> <ul style="list-style-type: none"> • They are at least 4 months old but no older than 5 months. • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive two doses of the DTaP, Td, or Tdap vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance.
<p>Preschool 6-18 months - 3 doses <i>Compliant</i></p>	<p>Students are considered compliant when:</p> <ul style="list-style-type: none"> • They are at least 6 months old but no older than 18 months. • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive three doses of the DTaP, Td, or Tdap vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance.
<p>Preschool - 4 doses <i>Compliant</i></p>	<p>Students are considered compliant when:</p> <ul style="list-style-type: none"> • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive four doses of the DTaP, Td, or Tdap vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the fourth and previous dose is greater than or equal to 6 months with a 4-day tolerance.

Rule	Requirements
5 doses <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They receive five doses of the DTaP, Td, or Tdap vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the fourth and previous dose is greater than or equal to 6 months with a 4-day tolerance. • The difference between the fifth and previous dose is greater than or equal to 6 months with a 4-day tolerance. • The difference between the fifth dose and the student's birthdate is greater than or equal to 48 months with a 4-day tolerance.
4 doses <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They receive four doses of the DTaP, Td, or Tdap vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the fourth and previous dose is greater than or equal to 6 months with a 4-day tolerance. • The difference between the fourth dose and the student's birthdate is greater than or equal to 48 months with a 4-day tolerance.
3 dose <i>Grace Period</i>	Students are considered in a grace period when: <ul style="list-style-type: none"> • They receive three doses of the DTaP, Td, or Tdap vaccine. • The difference between the last dose and the effective date is less than or equal to 5 months with a 1-day tolerance.
2 dose <i>Grace Period</i>	Students are considered in a grace period when: <ul style="list-style-type: none"> • They receive two doses of the DTaP, Td, or Tdap vaccine. • The difference between the last dose and the effective date is less than or equal to 28 days with a zero-day tolerance.
1 dose <i>Grace Period</i>	Students are considered in a grace period when: <ul style="list-style-type: none"> • They receive one dose of the DTaP, Td, or Tdap vaccine. • The difference between the last dose and the effective date is less than or equal to 28 days with a zero-day tolerance.
Default <i>Non-Compliant</i>	N/A

Polio

Rule	Requirements
Under 2 months <i>No Requirement</i>	Students who are 1 month old or younger do not need any doses of the Polio vaccine.
Preschool - 1 dose <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • The student is no older than 3 months old. • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive one dose of the IPV, OPV, or IPV/OPV Polio vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance.
Preschool - 2 dose <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They are at least 4 months old but no older than 5 months old. • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive two doses of the IPV, OPV, or IPV/OPV Polio vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance.
Preschool - 3 dose <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive three doses of the IPV, OPV, or IPV/OPV Polio vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance.
3 doses IPV <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They receive three doses of the IPV or IPV/OPV Polio vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third dose and the student's birthdate is greater than or equal to 48 months with a 4-day tolerance.

Rule	Requirements
3 doses OPV <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They receive three doses of the OPV or IPV/OPV Polio vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third dose and the student's birthdate is greater than or equal to 48 months with a 4-day tolerance.
4 doses <i>Compliant</i>	Students are considered compliant when: <ul style="list-style-type: none"> • They receive four doses of the IPV, OPV, or IPV/OPV Polio vaccine. • The difference between the first dose and the student's birthdate is greater than or equal to 42 days with a 4-day tolerance. • The difference between the second and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the third and previous dose is greater than or equal to 28 days with a 4-day tolerance. • The difference between the fourth and previous dose is greater than or equal to 28 days with a 4-day tolerance.
Last Dose <i>Grace Period</i>	Students are considered in grace period when: <ul style="list-style-type: none"> • They receive one dose of the IPV, OPV, or IPV/OPV Polio vaccine. • The difference between the last dose and the effective date is less than or equal to 28 days with a zero-day tolerance.
Default <i>Non-Compliant</i>	N/A

Measles Mumps Rubella

Rule	Requirements
15 months and Younger <i>No Requirement</i>	Students 15 months old and younger are not required to receive any doses of the MMR vaccine.

Rule	Requirements
<p>Preschool 1M 1M 1R <i>Compliant</i></p>	<p>Students are considered compliant when:</p> <ul style="list-style-type: none"> • They are in state grade(s) IT: Family/Infant/Toddler Program, EE: Ess Early Ed, or PK: Pre-Kindergarten. • They receive one dose of the Measles vaccine. <ul style="list-style-type: none"> ◦ The difference between the first dose and the student's birthdate is greater than or equal to 12 months with a 4-day tolerance. • They receive one dose of the Mumps vaccine. <ul style="list-style-type: none"> ◦ The difference between the first dose and the student's birthdate is greater than or equal to 12 months with a 4-day tolerance. • They receive one dose of the Rubella vaccine. <ul style="list-style-type: none"> ◦ The difference between the first dose and the student's birthdate is greater than or equal to 12 months with a 4-day tolerance.
