Setting	Description
<b>Accepted Payment Methods</b>	<p>Select the checkbox next to each payment method you want to accept.</p> <p>When you remove an Accepted Payment Method by clearing the checkbox next to it, Infinite Campus does NOT delete the registered payment information from the portal user or prevent the user from using that Payment Method. Clearing the checkbox prevents users from registering payment information for that Payment Method.</p>
<b>Email Receipts</b>	When this checkbox is marked, a receipt of payment is sent to the email address the user enters.
<b>Partial Refunds</b>	When this checkbox is marked, individual lines on a transaction can be refunded.
<b>Service Fee Refunds</b>	<p>When this checkbox is marked, service fees are also refunded when a refund is issued to a parent or student.</p> <p>If your district chooses not to refund Service Fees, the original transaction is assigned the "Returned" Transaction Status but does not have a Return Void offsetting transaction in the <a href="#">Payments Reporter</a>.</p>

<b>Card Present Processing Service Fee</b>	When this checkbox is marked, users are charged a Service Fee when they make credit or debit card payments in the school office with a physical card.

Setting	Description
<b>Split Transaction and Service Fees</b>	<p>When you select the checkbox, the processing of Transaction and Service Fees changes. By default (when unchecked), all the Transaction and Service Fees are processed out of the District default account, unless there is a specific Fund Account set up for each.</p> <p>By enabling this checkbox, the fees will follow the Fund Accounts of the purchased items, instead of using the default Fund Accounts.</p>
<b>Card Service Fee</b>	<p>This amount indicates the amount the user will be charged for each credit card or debit card payment they make. The service fee may cover the costs, if any, that the district must pay to the payment vendor or other processing fees that may occur.</p> <p>Select <b>Fixed Amount</b> OR <b>Fixed Percentage</b>. Based on the option you choose, you may enter a specific amount or a percentage. In Campus Parent/Student, the Service Fee is always presented to the payer as a flat amount.</p> <p>If you don't want to charge a service fee, leave the amount at zero.</p> <p>If you DO charge a service fee, the Card Service Fee is charged to <b>ALL</b> Credit/Debit Card payments.</p>
<b>E-Check Service Fee</b>	<p>This amount indicates the amount the user will be charged for each e-check payment they make.
