Object Triggering | Scope Year | Arrays | Type/Descriptors

Tool Search: Ed-Fi

This association represents the ECO program that a student participates in. The association is an extension of the Student Program Association particular for ECO programs.

Object Triggering

Action	Business Rules
Post	When the student has an enrollment with an ECSE Entry Date that is within the configured year. • Does not send a record when the Calendar Exclude checkbox is marked in the calendar the student is enrolled in. • Does not send records when the School Exclude checkbox is marked in the calendar the student is enrolled in. • Does not send records when the No Show checkbox is marked.
Delete/Post	When any field part of the natural key is changed: • Student Ed-Fi ID • ECSE Entry Date
Delete	• When the ECSE Entry Date is deleted or is outside the configured year. • When the Enrollment Start/End Dates are changed and the record no longer overlaps the configured year.

Scope Year

- Evaluations records only send to the school year to which they are aligned.
- Data only sends for the years that have a valid configuration.

Object Data Elements

Data Element Label	Description	M, C, or O	Database Location
id	The unique identifier of the resource.	N/A	N/A

Data Element Label	Description	M, C, or O	Database Location
beginDate	The earliest date the student is involved with the program. Typically, this is the date the student becomes eligible for the program. Returns ECSE Entry Date ONLY when the date is within active year. Else, does not report.	M	Enrollments > State Reporting Fields > ECSE Entry Date
educationOrganizationReference	The education organization where the student is participating in or receiving the program services. Reports the fields that are part of the Natural Key for the Local Education Agency resource where the educationOrganizationId is the Reporting District Code.	M	District Information> State District Number
programReference	A reference to the Program Resource. Reports the fields that are part of the Natural Key for the Programs resource. • educationOrganizationId = Reporting District Code • programName = Early Childhood Special Education (ECO) • programTypeDescriptor = Early Childhood Special Education	M	Enrollments > State Reporting Fields > ECO Entry/Exit Indicator
studentReference	A unique alpha-numeric code assigned to a student. Reports the fields that are part of the Natural Key for the Students resource where studentUniqueId is the Student State ID.	M	
ecoRatings	An unordered collection of studentECOProgramAssociationECORatings. A series of ratings associated with the entry and/or exit of ECO program participation. See the Arrays section below.	O	
endDate	The month, day, and year on which the Student exited the Program or stopped receiving services. Returns value from ECSE Exit Date when the date is within reporting calendar. When the date is outside of the active year, reports blank.	O	Enrollments > State Reporting Fields > ECSE Exit Date

Data Element Label	Description	M, C, or O	Database Location
participationStatus	Does not report.	O	
programParticipationStatuses	Does not report.	O	
reasonExitedDescriptor	Does not report.	O	
servedOutsideOfRegularSession	Does not report.	O
