Tool Search: Migrant

The Migrant tool captures information for students whose parents/guardians move frequently in an effort to find work or better living conditions. The Federal Migrant Program provides support for these students to be successful in their education.

The state of Delaware does not currently collect information specific to the state. Please see the Migrant article for more information on using the Migrant tool.

See the core Migrant article for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Migrant records.
