See the Curriculum Library (Admin) [Article](#) | [Video](#) for more information about using the Library as a curriculum director.

To share curriculum to or add curriculum from the library, a teacher needs the [Enhanced Curriculum](#) tool right, as well as tool rights to at least one of the following grading tools: Grade Book, Planner, Progress Monitor.

Additionally, the *Curriculum Library District Manager* tool right allows you to view curriculum in the Library and remove curriculum shared by anyone.

See the [Instruction Tool Rights](#) article for more information.
