Tool Search: Digital Learning

The Digital Learning Dashboard allows schools to track digital devices and internet availability for students. More than one record can be added, but records cannot overlap.

Digital Learning Dashboard

Read - View Digital Learning records.
Write - Modify existing Digital Learning records.
Add - Add new Digital Learning records.
Delete - Permanently remove Digital Learning records.

For more information about Tool Rights and how they function, see the [Tool Rights](#) article.

Add a Digital Learning Record

Fields in red with an asterisk are required.

1. Click the **New** button. A **Digital Learning Dashboard Detail** editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished. The saved record displays in the Digital Learning Dashboard Summary.

Print a Summary Report of Digital Learning Records

A Summary Report of a student's Digital Learning records can be generated by clicking **Print Summary Report.**
