Tool Search: Gifted

The Gifted tool tracks a student's participation in Gifted programming through enrichment, acceleration, and/or advanced curriculum. Schools can record a student's participation that includes a specific type of program or location or focus, note permission to participate, and generate a summary report of the entered data.

See the core [Gifted and Talented](#) for information on necessary tool rights, available Ad hoc fields, and guidance on adding and printing Gifted and Talented records.

The screenshot displays the 'Gifted Editor' interface for a student named Jared. The top navigation bar includes 'Student Information > Program Participation > Gifted'. The student's details are: Student #: 1234567, Grade: 9, and DOB: 12/29/2008. A toolbar contains buttons for 'New', 'Save', 'Delete', 'Print Summary Report', and 'Documents'. The table contains one entry with a start date of 05/06/2024, program status 'Academically or Intellectually Gifted Program', and created by 'Bladen County Schools, 090, 05/22/2024'.
