Reference

- [Quiz Question Types](#)

Quizzes were updated with the release of [Campus.2419](#), and additional updates will be included in subsequent releases. See the [Enhanced Quizzes](#) release notification for more information about which features were released and when.

The **Enhanced Curriculum** tool right in Additional Access Rights > Instruction Tools grants

access to quizzes. See the [Instruction Tool Rights](#) article for more information.

We're trying something new! We've designed this article to be a one-stop-shop for all things quizzes, what do you think? Leave feedback below.
