Tool Search: Migrant

The Migrant tool captures information for students whose parents/guardians move frequently to find work or better living conditions. The Federal Migrant Program supports these students in succeeding in their education.

Student Migrant Record

Read - Access and view the Migrant tool.
Write - Modify existing Migrant records.
Add - Add new Migrant records.
Delete - Permanently remove Migrant records.

For more information about Tool Rights and how they function, see the Tool Rights article.

Use the Federal/State Program Updater to import existing Migrant student records or update records for multiple students.

Enter/Modify Migrant Records

- Overlapping records are not allowed.

- When a new record is added before an existing record has an end date, a warning message displays. Enter an End Date on the existing record before adding a new record.
- When a new record is added with a start date that is between the start and end dates of a historical record, a warning message displays. Verify the entered date on the new record is correct.
- Migrant records entered in State Edition CANNOT be modified by District Edition users.
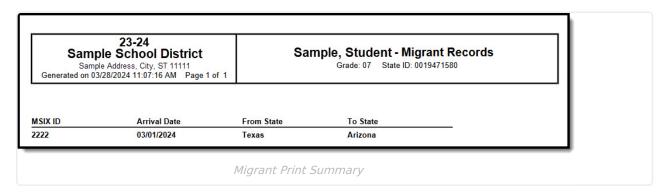

Enter Migrant Records

1. Click **New**. A **Student Migrant Detail** editor displays.
2. Enter the appropriate information for the fields in the editor.
3. Click the **Save** icon when finished. The new record is visible in the Migrant Editor.

Modify Migrant Records

1. To modify a Migrant record, select it from the editor and enter the new information (end date, new comments, etc.).
2. When a student is no longer considered a Migrant student or has stopped receiving Migrant services, edit the record and enter an **End Date**.
3. When a record was entered in error, click the **Delete** icon to remove it completely.

Print Migrant Summary Report

Click the **Print** icon to display a PDF of the student's Migrant records.

Publish Foster Care Records from a State Edition to a District Edition

Tool Search: Federal Programs Publishing

Foster Care records can be published from the State Edition to a District Edition using the Federal Programs Publishing tool. This tool is only available to State Edition users.

Federal Programs Publishing

The Federal Programs Publishing tool allows State Edition users the ability to publish records for federal programs to District Editions within the state. Users must have statewide access and publish rights for the federal program in order to publish federal programs.
Users need to select the program(s) to publish and select whether to publish all records for the selected program(s) or only records that have changed since the last publish. Once programs have been published, federal program records are created at the district level.

Select	Program Name	Published		Last Publish Date
