The FERPA (Family Educational Rights and Privacy Act) gives parents/guardians certain rights with respect to their children's education records. See the [US Department of Education](#) website for more information.

The screenshot displays the FERPA tool interface. At the top, it shows the student's name 'Student, Samuel' and details like 'Student #: 123456', 'Grade: 09', and 'DOB: 03/07/2009'. Below this, there's a 'School Year' dropdown set to '23-24'. The main content area shows a summary of the FERPA record, including the start date (04/01/2024), school year (2024), and a list of questions with their answers. A 'View' button is highlighted with a red box. A red arrow points from this button to a 'Program Information' modal form. This modal form contains fields for 'Start Date', 'End Date', 'School Year', 'Changes Made By', and 'Program Status'. It also includes four questions with dropdown menus for answers, and a 'Comments' section with a text area and 'Save', 'Cancel', and 'Delete' buttons.
