# Driver's Education (Delaware)

Last Modified on 06/28/2024 10:52 am CDT

Program Information Fields | State Defined Elements | Tool Rights

Tool Search: Driver's Education

The Delaware Department of Education manages the ability to get a driver's license for all Delaware residents under 18. Successful completion of the program results in a Blue Certificate that is exchanged at the DMV for a driver's license.

Driver Education records may not overlap. Users must end-date an open record before creating a new one.

Delaware Driver's Education Editor

Creating a Driver's Education Record

1. To add a Driver's Education record, press **New**.
2. Enter the appropriate information for the record and press **Save**. For more information on

data entry for each field, please see this article's **Program Information Fields** and **State-Defined Elements** sections.
