

# Technical Information - Release Pack Campus.2419

Last Modified on 12/23/2025 4:30 pm CST

This article collects the changes made to the database schema as part of the [Campus.2419 release pack](#). Campus provides this information to enable users to update queries and scripts that may be affected by these changes.

## Data Definition Language Scripts (DDL)

This section lists data structures that were created, altered, or dropped, based on the vocabulary used to define data structures in SQL Server.
