

# Eligibility

Last Modified on 04/22/2025 9:04 am CDT

Tool Search: Eligibility

Eligibilities may also be imported from a file using the [Eligibility Import Wizard](#) or determined from a processed application ([paper-based](#) or [online](#)) for free/reduced benefits.

**Eligibilities based on processed applications cannot be modified or deleted.**

Once added or imported, eligibility data can be updated for groups of students in the [Eligibility End Date Wizard](#).

New to FRAM? Confused about SES vs. meal benefits? Watch this [FRAM Overview](#) to begin.

## How-To

- [Manually Add an Eligibility](#)
- [Update an existing eligibility](#)
- [Create an Eligibility Ending Notification Letter](#)

## Reference

- [Eligibility Editor Field Descriptions](#)
- [Certified Types](#)
- [Eligibility for State Edition Users](#)
- [Eligibility Ad Hoc Fields](#)

[Person Documents](#) for the FRAM Eligibility tool will only be available in the Person Documents tool to those with FRAM Eligibility tool rights.
